Goals of the AVID College and Career Readiness System

Accelerate underachieving students who have potential into more rigorous courses.

Teach academic and social skills not targeted in other classes.

Provide intensive support with in-class tutors and a strong student–teacher relationship.

Create a positive peer group for students.

Develop a sense of hope and personal achievement through hard work and determination.

3,177 Colorado teachers, administrators, and counselors are AVID-trained

“In my 29 years as a teacher and administrator, I have never seen a program that transforms a school and a school community more than AVID! Everything we do and everything we are is because of our focus on the AVID strategies and AVID training. I cannot imagine leading a school that does not have AVID at its core; it works with organization, focus, leadership, curriculum, pedagogy, collaboration, and more.”

—Colorado school principal

AVID is a nonprofit organization that provides educators with proven, real-world strategies to accelerate the performance of underrepresented students so that these students and all students across the entire campus succeed in college, career, and life.
