**Goals of the AVID College and Career Readiness System**

- Accelerate underachieving students who have potential into more rigorous courses.
- Teach academic and social skills not targeted in other classes.
- Provide intensive support with in-class tutors and a strong student–teacher relationship.
- Create a positive peer group for students.
- Develop a sense of hope and personal achievement through hard work and determination.

**AVID National Demonstration Schools**

- **216** Across U.S.
- **2** In Idaho

AVID National Demonstration Schools are exemplary models of the AVID College and Career Readiness System. Demonstration Schools undergo a rigorous validation process and are required to be revalidated every few years to ensure high levels of implementation, with quality and fidelity to AVID strategies schoolwide.

**AVID holds all students to high expectations.**

- **98%** of AVID Idaho Seniors Completed Four-Year College Entrance Requirements

**1,771** Idaho teachers, administrators, and counselors are AVID-trained

“Since implementing AVID, Vallivue now has an additional 800 learners who see themselves as college-bound students and all of them are taking college-prep curriculum, including more AP® courses. Since employing the AVID System five years ago, over 400 teachers have been trained in the use of AVID teaching strategies. Student achievement is showing some gains as well, with a 7 percent increase seen in last year’s SAT® scores.”

—Vallivue School District Superintendent

*AVID is a nonprofit organization that provides educators with proven, real-world strategies to accelerate the performance of underrepresented students so that these students and all students across the entire campus succeed in college, career, and life.*
