Colorado teachers, administrators, and counselors are AVID-trained

“In my 29 years as a teacher and administrator, I have never seen a program that transforms a school and a school community more than AVID! Everything we do and everything we are is because of our focus on the AVID strategies and AVID training. I cannot imagine leading a school that does not have AVID at its core; it works with organization, focus, leadership, curriculum, pedagogy, collaboration, and more.”

—Colorado school principal

AVID is a nonprofit organization that provides educators with proven, real-world strategies to accelerate the performance of underrepresented students so that these students and all students across the entire campus succeed in college, career, and life.
