Goals of the AVID College and Career Readiness System

Accelerate underachieving students who have potential into more rigorous courses.

Teach academic and social skills not targeted in other classes.

Provide intensive support with in-class tutors and a strong student–teacher relationship.

Create a positive peer group for students.

Develop a sense of hope and personal achievement through hard work and determination.

“AVID is a cornerstone in our efforts to increase the percentage of our students who are college-bound. For students in AVID, the skills and experiences they gain truly change the trajectory of their lives. However, the impact goes well beyond the students in AVID. Schoolwide, the WICOR instructional strategies have benefited every single student in the school. Our AVID students represent our entire school community and shine a positive light on education as a whole.”
