“The AVID system has given us the framework to ensure that all students have access to rigorous coursework. It provides specific, inquiry-based instructional tools and strategies for creating an engaging and authentic learning environment, and it creates a strong sense of school community unlike any other program. It is our vehicle for helping to close the opportunity gap.”

—Metropolitan School District of Washington Township Director of Curriculum

AVID is a nonprofit organization that provides educators with proven, real-world strategies to accelerate the performance of underrepresented students so that these students and all students across the entire campus succeed in college, career, and life.
