Goals of the AVID College and Career Readiness System

- Accelerate underachieving students who have potential into more rigorous courses.
- Teach academic and social skills not targeted in other classes.
- Provide intensive support with in-class tutors and a strong student–teacher relationship.
- Create a positive peer group for students.
- Develop a sense of hope and personal achievement through hard work and determination.

“AVID is an integral part of our Complex Area’s college and career system. Implementation of AVID strategies and practices have provided a strong foundation and consistency within our instruction (K–12) to ensure that we close the achievement gap, provide rigorous and relevant learning opportunities, and prepare and equip all students with the necessary skills and tools to have a successful future.”
