**Goals of the AVID College and Career Readiness System**

- Accelerate underachieving students who have potential into more rigorous courses.
- Teach academic and social skills not targeted in other classes.
- Provide intensive support with in-class tutors and a strong student–teacher relationship.
- Create a positive peer group for students.
- Develop a sense of hope and personal achievement through hard work and determination.

"AVID is beneficial for ALL students, but especially for students who are often marginalized, as it empowers them to tap into their potential while we prepare them for the real world. As a former AVID principal, I have seen firsthand the impact of AVID on students, and our superintendent has even been an AVID participant!"

—Baltimore County Public Schools Superintendent

AVID is a nonprofit organization that provides educators with proven, real-world strategies to accelerate the performance of underrepresented students so that these students and all students across the entire campus succeed in college, career, and life.
