Goals of the AVID College and Career Readiness System

- Accelerate underachieving students who have potential into more rigorous courses.
- Teach academic and social skills not targeted in other classes.
- Provide intensive support with in-class tutors and a strong student–teacher relationship.
- Create a positive peer group for students.
- Develop a sense of hope and personal achievement through hard work and determination.

In Arizona

AVID National Demonstration Schools are exemplary models of the AVID College Readiness System. Demonstration Schools undergo a rigorous validation process and are required to be revalidated every few years to ensure high levels of implementation, with quality and fidelity to AVID strategies schoolwide.

5,835 Arizona teachers, administrators, and counselors are AVID-trained

"AVID is a cornerstone of the district’s strategic initiative to increase student achievement and a critical component to meeting the needs of every student, increasing rigor, eliminating the achievement gap, and ensuring college and career readiness."

—Arizona district leader

AVID is a nonprofit organization that provides educators with proven, real-world strategies to accelerate the performance of underrepresented students so that these students and all students across the entire campus succeed in college, career, and life.
