“The AVID Elective has created an atmosphere that is motivating and where students encourage one another to strive for their goals. By utilizing the research-based AVID strategies such as Cornell notes and Socratic Seminar discussions, our students are making great strides towards becoming independent learners. The intensive support with tutorials and strong teacher relationships will ensure that our students are well prepared for their post-secondary education.”

—Ferndale Public Schools Superintendent

AVID is a nonprofit organization that provides educators with proven, real-world strategies to accelerate the performance of underrepresented students so that these students and all students across the entire campus succeed in college, career, and life.
